Must-Know Words

Surveillance:

Monitoring and observation of people, places, or activities for the purpose of gathering information.

Phishing:

A fraudulent attempt to obtain sensitive information, such as usernames, passwords, and credit card details, by disguising as a trustworthy entity in electronic communication.

Security Advisory

Report Suspicious Activities: If you notice any suspicious activity or behavior in your community, report it to the nearest appropriate authorities immediately. Your vigilance can help prevent crime and ensure the safety of your neighborhood.
